I. Call to Order – 7:15 pm

Wendell Null called the meeting to order.

II. Invocation and Pledge

Nan Headrick led the Pledge of Allegiance and C.D. Williams led the invocation.

III. Citizen Forum

Citizens will be allotted a 3 minute time frame.
None present.

IV. Discussion & Possible Action on BIG Program – Cardinal Dental

Sheila Martin present the grant application and confirmed the BIG Program Guidelines, to which Cardinal Dental’s Grant Application met the criteria. Dr. Constance Onemany read the request letter describing proposed project and the need for the grant, answered questions, and discussed improvement plans. Nan Headrick made a motion to approve the grant application for Cardinal Dental for up to \$10,000 matching funds. Shane Burleigh seconded the motion. None opposed. Motion carried.

V. Discussion on Mid-Year Budget adjustments & Reclassification for DCDC's Open Position

Courtland Holman presented the need for reclassification for DCDC's Open Position from a Secretary to Admin/Analyst. The new job description was reviewed and Holman answered question and discuss need for higher level staffing. Holman present budget with proposed budget changes for additional staff and to account for previously approved Professional Service contracts from Kendig Keats and TXP, Inc.

VI. Consent Items

The purpose of the consent agenda is to streamline an open meeting by approving multiple items with one vote. If Board desires to discuss an item on the consent agenda, they may do so within the Consent Items.

- a. Review and take action on regular board meeting minutes from April 9th, 2018
- b. Review and take action on March 2018 Financial Statement

Nan Headrick made a motion to accept the Board meeting minutes from April 9, 2018 and to accept the March 2018 Financial Statement. Shane Burleigh seconded the motion. None opposed. Motion carried.

VII. Discussion & Action Items

- a. Discuss & Possible Actions on Mid-year Budget adjustments and reclassification for open position.

Nan Headrick made a motion to accept the Mid-year Budget adjustments and reclassification for open position with the new pay range up to \$42,000 annual salary. Shane Burleigh seconded the motion. None opposed. Motion carried.

PROJECTS:

APRIL

Project Passionfruit – From GHP an established multi-national company looking to expand in the Houston region. This is a manufacturing company that, as of right now, only has one criteria. They are looking for 50-100 (closer to 100) acre sites that could accommodate up to 1 million square feet. Due to possible truck traffic the company prefers not be adjacent to any residential areas. This is an equipment manufacturing company and they will be using this plant for their assembly operations.

Project Headline – From GHP this company is the first vertically-integrated, U.S.-based company to produce lightweight aggregates from 100% recycled glass. Their manufacturing capabilities include the ability to make several types of foamed glass including both open and closed cell aggregates. This product is made from 100% recycled material; 100% glass that came from residential recycling programs.

They are looking for any assistance or programs possible such as bonds, grants, tax abatements, loan forgiveness, anything that could help cover some of the cost.

Project Criteria:

- Does not need to be in a heavy industrial area, but preferred
- 40,000 sq. building with clearance and a footprint to clear out the product – just a shell;
- 45ft-50ft of clearance
- 5-10 acres around the facility
- Natural Gas, a minor source emitter

- Access to Trucking and barges
- Need Circulation around the building
- Fully-automated, high-tech

Jobs: 20

Capex: \$10 million

Project Falcon – I met with site selector / brokerage firm for this project. This is a 1.2 Million sqft warehouse, distribution, manufacturing multi-phase business at \$100MM. FTE 310 on 5.2 Acres minimum. Need FTZ.

Project Sandstorm – An industrial business that need up to 50 acres for potential warehouse. Not much other details. Looking for land. Not needing to be rail served.

MAY

Project Resenator – From David Wang needing property information on 150 to 200 acres for an industrial PEC chemical manufacture. Rail service not needed. Natural Gas Required. Not much other information at this time. David is trying to get added information but clients are wanting to Tour sites soon.

Project Eagle Feathers - The Office of the Governor has been contacted by a consulting firm on behalf of a publicly traded company that provides sustainable manufacturing products. The company is seeking 100 acres of flat land served by a rail spur (or available extension) with Class 1 rail access and close proximity to an interstate highway. Approximately 300 will be employed at the proposed operation. The company anticipates spending approximately \$500 million in capital investment.

IX. Adjourn – 8:28 pm

Nan Headrick made a motion to adjourn. Shane Burleigh seconded the motion. None opposed. Motion carried.
